

WHY?

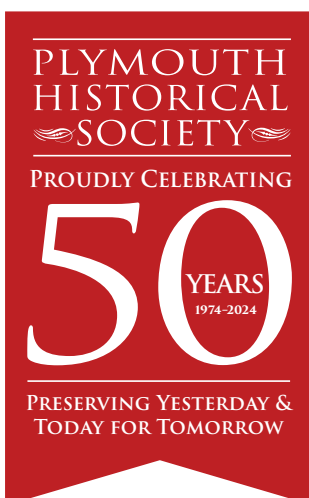

presented by Judy Floyd, Lisa Lundari, Louise McCormack and Becky White

On our 50th Anniversary, the Plymouth Historical Society takes stock of how far we have come, where we are today, and what we would like to do in the future.

Why the Plymouth Historical Society organized. • Why it grew for 20 years, even *without* a museum. • Why we bother saving all this old stuff. • Why it is important. • Why it is more relevant than ever. • Why you should care. • Why we need your participation. • Why we need your support. • Why we need *your* stories. • Why we are planning for the future. • Why you should visit the Old Webster Courthouse. • Why it's a lot more fun than you would think!

We will cover the what and how as well :-)

We invite your questions, feedback and ideas.
