

## NEW HAMPSHIRE ON SKIS

Skiing on Cannon Mountain, Taft Trail in 1939 or '40

Library of Congress

Take Scandinavian and Austrian immigrants, the Dartmouth Outing Club, the Cannon Mountain Tramway, the muscular Christian, amateur tinkerers, and Professor E. John B. Allen. Cover it with snow and shake, and you have all the makings of a unique New Hampshire history! Join us and learn about early skiing in the state, the importance of jumping, the mechanization of skiing, and how New England and New Hampshire fit into the big picture of America's ski culture.

John Allen is Professor Emeritus of History at PSU, historian for the New England Ski Museum in Franconia, and author of several books about skiing.
